

61ST ANNUAL MEETING OF THE OHIO VALLEY SOCIETY OF PLASTIC SURGEONS

Steven L. Bernard, MD, President

JUNE 1-2, 2018
WESTIN DOWNTOWN CLEVELAND HOTEL
Cleveland, OH

About the Conference:

The Annual Scientific Meeting of the Ohio Valley Society of Plastic Surgeons (OVSPS) serves a crucial role for students, residents, fellows and attending surgeons to highlight new technologies, new treatment modalities and new techniques in plastic and reconstructive surgery. In addition, the program serves to educate these individuals on patient safety topics and research occurring within the region thereby expanding the breadth and scope of plastic surgeons. Specifically, the meeting will include didactic and panel presentations to generate discussion involving new concepts and controversies in plastic surgery. The presentations are designed for audience interaction in an open forum allowing ample time for questions and answers.

A resident forum for research presentations is highlighted. This serves an important role in providing the opportunity for the resident/fellow to present his/her work in an open forum; an opportunity that may not be available at the national level.

Intended Audience:

The target audience of this meeting includes plastic surgeons in practice and in training, both private and academic, in the five-state Ohio Valley region and beyond.

Learning Objectives:

- ◆ Discuss the techniques and the correct patients for direct to implant reconstruction
- ◆ Describe the techniques used to perform direct to implant reconstructions
- ◆ Explain the most current data and treatment options for BIA-ALCL
- ◆ Define the newest laws governing how doctors are reimbursed
- ◆ Express how plastic surgeons can successfully and safely run a spa and surgery center
- ◆ Discuss the disruptive technologies affecting plastic surgery

ABMS Competencies:

This activity will address the following ACGME/ABMS Competencies: Medical Knowledge, Patient Care, Systems Based Practice, Practice Based Learning, and Professionalism

Accreditation Statement:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the University of Cincinnati and the Ohio Valley Society of Plastic Surgeons.
